# <u>IMPORTANT TRAFFIC ADVISORY FOR ALL STUDENTS AND PARENTS</u>

Dear Parents,

This is to inform you that due to the **AI Summit–2026**, extensive VVIP movements, traffic diversions, and congestion are expected across various parts of Delhi **from 16th to 20th February 2026,** coinciding with the CBSE Board Examination schedule. These arrangements may significantly affect the movement of traffic on multiple routes.

In view of the above, students and parents are earnestly requested to plan travel meticulously and adhere to the following instructions to ensure timely and hassle-free arrival at the school.

**<u>Note: For Students appearing for Board Exams</u>**

1. Early Departure:
Students are advised to **leave home well in advance** to account for possible traffic delays and diversions. Keeping a minimum buffer of 60-90 minutes depending on distance.

2. Strict Punctuality:
Students must reach the examination centre well before the reporting time mentioned on the admit card. **Late entry will not be permitted under any circumstances.**

3. Route Planning:
**Parents and students are advised to avoid affected roads and follow alternate routes** as suggested by the Delhi Traffic Police to ensure smooth and safe movement.

4. Preparedness:
Students must carry their CBSE admit card, school identity card, and all permitted stationery as per CBSE guidelines.

5. Calm & Composed Conduct:
Students are expected to remain calm, disciplined, and focused to maintain a positive examination environment.

6. Parents are requested to plan drop and pick-up arrangements in advance to avoid congestion near examination centres.

7. Parents are requested to brief the transport staff (personal van) in advance.

We solicit the cooperation of parents in ensuring timely departure from home and smooth coordination of travel arrangements. Your support will greatly help students reach the examination centre stress-free and on time.

We wish all our students the very best for their Board Examinations.

Warm Regards
Mrs. Dimple Joneja
Principal, BVBMV
