## Himanshu Gupta - a brilliant success story

Himanshu Gupta, an alumnus of Bharatiya Vidya Bhavan's Mehta Vidyalaya, Delhi (Batch of 2012), brought laurels to his family and school by securing 27<sup>th</sup> rank in UPSC Civil Services Exam 2019. A student of B.Tech. in Electrical Engineering from Delhi Technological University (formerly called DCE), Himanshu Gupta worked as a chip-design Engineer in an electronics MNC called Qualcomm, Bangalore for 1 year 7 months before deciding to quit his job and go for full-time preparation for the Civil Services Exam. His advice for the future aspirants is that closing oneself off from the world and only focusing on studies cannot work in today's environment and one should always be aware of what's going on in the world. Himanshu Gupta has big plans for the future and wishes to join Indian Foreign Service (IFS) and work for the betterment of the nation.

## Farewell

Mrs. Alka Madan, HOD Science and Chief House Coordinator, was given a farewell on 19th March 2020. She joined the institution on 19.08.2002 and rendered 18 years of meritorious service. The event was attended by Regional Education Officer, Dr. A.K. Sharma, Manager, Mr. C. K. Arya, Principal, Dr. (Mrs.) Anju Tandon, Vice Principal, Mrs. Vibha Kohli, Headmistress, Mrs. Shashi Bhargav, Senior Academic Coordinator Mrs. Alka Jayaswal, teaching and administrative staff members. It was an emotional moment for all who attended.

Mrs. Vibha Kohli, Vice Principal superannuated on 30th April 2020 and was given a farewell on the occasion of her retirement via a zoom meeting. The occasion was graced by Dr. A.K. Sharma, Regional Education Officer Bhavans' Mehta Vidyalaya, Dr. C.K. Arya, Manager Bhavans' Mehta Vidyalaya, Principal Dr. (Mrs.) Anju Tandon, Headmistress Mrs. Shashi Bhargava, HOD IT and Senior Academic Coordinator, Mrs. Alka Jayaswal. Mrs. Vibha Kohli's husband, Mr. Kohli and her son Rupank Kohli (Bhavanite) also graced the occasion.

In her 33 years of meritorious service to the institution, Mrs. Vibha Kohli served in various capacities - as Chief House coordinator, HOD Science, Senior Academic Coordinator and Vice Principal. A competent administrator, an exceptional teacher, a distinguished personality with the most winsome smile, Mrs. Vibha Kohli has contributed immensely to all aspects of the school's functioning and progress.

We wish her the best of good health, happiness and success as she moves forward to the next chapter in her life! Happy retirement!

The school bid adieu to Mrs. Shashi Bhargava, Headmistress, Mehta Vidyalaya on 31<sup>st</sup> July 2020, on the occasion of her superannuation through a zoom meeting. In her 37 years of tenure Mrs. Bhargava has rendered most invaluable and dedicated service to the institution. The function was presided over by Dr. A. K Sharma, Regional Education Officer, Bhavan's Mehta Vidyalaya, Dr. C. K. Arya, Manager, Bhavan's Mehta Vidyalaya, Dr. Mrs. Anju Tandon, School Principal and Mrs. Alka Jayaswal, officiating Vice Principal. Mrs. Shashi Bhargava's family - Mr. Bhargava and her two sons, Udit and Vidit (both Bhavanites) had also graced the occasion by joining the meeting.

Under her dynamic leadership, the school has seen the setting up of the pre-primary wing, with the addition of Nursery and KG classes. She has also been instrumental in starting several new initiatives like, Vermi Composting, Herbal Garden and Eco Club. As a brilliant teacher of Biology (PGT), she has always been very methodical and systematic in her approach. In every aspect of the school's growth and development from policy making to bringing in pedagogical changes and safety measures, she has worked tirelessly with vigour, passion and enthusiasm. The school wishes Mrs. Shashi Bhargava a very healthy and happy retired life.

## Farewell Function Class XII

## Report on International English Language Day

International Language Day was celebrated on 27<sup>th</sup> April 2020 by the students of classes VI to VIII (middle classes). A "Book Review Activity" was organized by the teachers of English Department to encourage students to read books, enrich their vocabulary and express themselves well. The event was conducted under the guidance of Mrs. Sharmila Saha, HOD, English Department.

English Language Day is observed globally on 23 April every year. The Day marks the birth and death of famed global playwright writer William Shakespeare.

On this occasion, students were motivated to read a book and write its blurb in their own words. A new title was given to the book based on their perception and understanding and a book jacket was also prepared to that write up using their imagination and creativity. Students enjoyed the activity and shared their experiences with the teachers.

Handed down is the first book of Beatrix Potter and it was published in 1914 and written by Frances Cornford illustrated by Tom Brown. The book is a short collection of about stories, using the line of girl children books. It is a good story which is to be read by children of all ages. In the story a boy named Henry, who always quarrels with his brother and brother's companion Henry is a self centered, naughty little boy who had some rather naughty as well as a problem. He then after substitute in interesting ways. It is an interesting story. Henry is often called as Handi Henry, because he always trouble his brother in some or any other ways. He had friend a little girl, they two make the class trouble. He makes one mistake one day, they get lost. He is called as Sun Swam. They always fight with their. You have to read this book it is so enjoyable and funny story.

Depression is not a side effect of cancer, it is a side effect of dying. The Fault in Our Stars is a novel written by John Green is about a young teenage girl named Hazel who has been diagnosed with lung cancer and attends a cancer support group. Her life has always been sad and dull and she hated it. But this is all changed when she met a gorgeous guy, named Augustus at the cancer support group. If you enjoy books, full of witty humour and heartbreaking events, this book is perfect for you. This book has the power to make you laugh, cry and question life. I highly recommend it.

## Department Activities Related To COVID-19

### English Department

On 3<sup>rd</sup> May, students of class III were given the task of writing a paragraph, making a collage of their activities and also making a video on how they were keeping themselves busy and occupied during the period of lockdown.

On 6<sup>th</sup> & 7<sup>th</sup> May respectively, students of Classes IV and V were asked to record a video and write a paragraph on how this period of lockdown has taught them to be self-reliant and assist their parents in daily household work. Students of class IV shared how they had helped their family members in the daily routine household work, while the students of class V shared some of the habits inculcated by them to safeguard themselves from the deadly corona virus.

Students of classes VI and VII were given the task of writing a diary entry. In class VI the activity was conducted on 4<sup>th</sup> and 8<sup>th</sup> May respectively while in Class VII the activity was conducted on 24<sup>th</sup> April. While students of class VI had to express their feelings and experiences during this period of pandemic and lockdown, students of class VII had to write about how they spent their time with their family in the first week of the lockdown, mentioning the activities done by them, games played with members of the family and physical workouts done.

On 5<sup>th</sup> May, students of class VIII were given the task of expressing themselves through audio or video recording. They had to record an audio or a video with a brief introduction and in not more than 5 minutes speak about the things that made them happy during the lockdown period, focusing on one or more positive aspect/aspects that occurred in their personal life since the corona outbreak.

वैज्ञानिक ढूँढ रहे हैं इसका इलाज  
कितने ही हो गए इसका शिकार।

पूरा विश्व इस कोरोना महामारी का शिकार बना हुआ है। इसके कारण सम्पूर्ण विश्व में न केवल डर बल्कि व्यापारिक एवं आम गतिविधियों में ठहराव भी आ गया है। इस कारण चारों ओर एक नकारात्मक वातावरण छा रहा है, इसलिए शिक्षक होने के नाते इस समय हमारा ये फ़र्ज़ बन जाता है कि हम अपने छात्रों को इस नकारात्मक वातावरण में से छोटे-छोटे ही सही पर उन सकारात्मक पलों को जीने और उनसे सीखने की प्रेरणा दे। यूँ तो सभी कक्षाओं के छात्रों में लेखन कौशल बढ़ाने हेतु शिक्षकों द्वारा समय-समय पर विभिन्न गतिविधियों एवं अभ्यासों जैसे वाक्य बनाना, चित्र वर्णन, अनुच्छेद लेखन, पत्र लेखन, अनुभव लेखन, संवाद लेखन आदि द्वारा निरंतर प्रयास किये जाते हैं, इसी श्रृंखला में लॉकडाउन के दौरान भी बच्चों के लेखन कौशल में वृद्धि करने हेतु साथ ही उनके मन में सकारात्मक विचारों को प्रोत्साहित करने हेतु उनके बौद्धिक स्तर अनुसार उन्हें विभिन्न कार्य दिए गए हैं जैसे:-

- छात्रों को इस कोरोना महामारी के कारण मिले आपातकालीन अवकाश में उनको अपना अनुभव ८ से १० वाक्यों में लिखने को कहा गया।
- छात्रों को इस दौरान का अपना निजी अनुभव लगभग ८० शब्दों के अनुच्छेद के रूप में लिखने को दिया गया।
- छात्रों को अपना इस दौरान का अनुभव एक निबंध के रूप में लिखने को दिया गया।

जब सभी बच्चों के कार्यों की समीक्षा की गई तो हमने यह पाया कि हर वर्ग के छात्रों ने दिए कार्य को पूरी लगन और उत्साह के साथ अपने माता-पिता की यथोचित सहायता से पूर्ण किया।

साथ ही उनका यह अनुभव रहा कि बहुत अधिक छुट्टियों का होना सिर्फ सुनने में ही अच्छा लगता है सभी विद्यालय, अपने मित्रों एवं अध्यापकों को मिस कर रहे हैं। इस समय एक तरफ़ वह बहुत सी चीज़ों से वंचित तो हैं पर दूसरी तरफ़ वह अपने परिवार के साथ एक अच्छा समय व्यतीत किया और अपने परिवार के सदस्यों को और करीब से जाना।

# Awakened Citizen Program (ACP)

During this COVID epidemic, Ramakrishna Mission brought out the digital version of the Awakened Citizen Program (ACP) that could be shared via innumerable online platforms. Our school took advantage of this wonderful opportunity after registering at the Mission for digital access of the content. Our trained ACP teachers have been conducting these online ACP Classes for VI-VIII since 16 April on Zoom meetings. Even on the online medium, the students were quite eager to share their views and discuss on the possibilities and explorations provided in the slides.

Before closing for vacations, children were given holiday homework just as any main stream subject with focus on reflection of the possibilities that can be awakened within each one of us.

On June 12, 2020 two of our trained ACP teachers - Ms. Saumya Nair & Mrs. Ritu Sehgal were part of a Focused Group Discussion with our ACP Facilitators on Google Meet. This group discussion included 9 participants - Dr. (Mrs.) Joyitha Sen, from Illumine Developer team and other ACP teachers from various Delhi schools. This discussion was a part of Mission's ongoing All-India Impact Assessment.

Afterwards Ms. Saumya Nair, Mrs. Ritu Sehgal & Mrs. Papia Das were selected for the All India Teacher Impact Survey about the Impact of Awakened Citizen Program on them as well as their students. The selected teachers received a link for the survey on JotForm and duly filled their feedback for the survey.

On July 13, 2020 resource persons - Mrs. Piya Chakravarty & Ms. Mayuri Kar attended an ACP Online session taken up by Mrs. Richa Jain in Class VII A & B. After the session they interacted with the students and gave valuable feedback and inputs.

Now the ACP online sessions are being conducted on Google meet since the school has switched over to G suite.

## Report of Kargil Vijay Diwas

Students of classes Nursery to class V celebrated the 21<sup>st</sup> Kargil Vijay Diwas through various activities from July 20 to July 25, 2020. Students were educated about the events of Kargil War through self made video about the sacrifice made by the brave soldiers of our country in the year 1999 to protect our country from the Pakistani attack on the Kargil Hills. Students enthusiastically participated in various activities like singing songs, making cards and collages of different defense organizations. These activities were co-ordinated by Mrs. Ronangona Ghosh under the guidance of our Headmistress, Mrs. Shashi Bhargava.

## School Appointment Selection

Due to the COVID 19 pandemic, the schools have been working online since the beginning of the new academic session. Nevertheless, the school teachers have been carrying out all their duties timely, rising to the new challenges and incorporating technology as per the requirements.

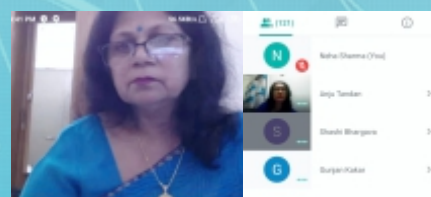

The House Coordinators - Mrs. Kirti Chaturvedi (Chief House Coordinator), Mrs. Saumya Marwaha (Middle Wing Coordinator) and Mrs. Ronangona Ghosh (Primary Wing Coordinator), under the guidance and leadership of the Principal - Dr. (Mrs.) Anju Tandon, Officiating Vice Principal, Mrs. Alka Jayaswal and the Headmistress, Mrs. Shashi Bhargava, initiated the process of selection of the Prefectorial Board of the school in the month of May, 2020. The interested students from class XI and XII were asked to fill up the nomination forms online through Google Docs by May 23, 2020. The panel comprised of the school counselor, HODs of all departments, Chief house coordinator, Middle wing House Coordinator, Mrs. Ronangona Ghosh (Primary Wing Coordinator) and some senior PGTs. The Preliminary round for the Main Appointments took place on June 1, 2020 and that for the Vice Appointments took place on June 4, 2020.

On the basis of the scores obtained, a list of students was prepared by the House Coordinators for the final interview round, which will be conducted very soon.

## Kindergarten Orientation Programme

Our online Kindergarten Orientation Programme was held on July 27, 2020 at 4:30pm. Our School Counselor Dr. (Mrs.) Jyoti Dev Rishi welcomed all the Nursery and KG parents.

Principal Dr. (Mrs.) Anju Tandon gave a welcome address and highlighted the goals and learning outcomes of Kindergarten. Head Mistress, Mrs. Shashi Bhargava highlighted the school activities. School Counselor Dr. (Mrs.) Jyoti Dev Rishi shared valuable parenting tips and the programme ended with vote of thanks by Kindergarten Co-ordinator Mrs. Minni Sikri.

## Earth Day Celebration

Bharatiya Vidya Bhavan's Mehta Vidyalaya celebrated the 50<sup>th</sup> anniversary of Earth Day with great zeal and enthusiasm. During this COVID-19 lockdown, the event was celebrated online by all the class teachers with their respective classes. Different activities were conducted at various levels: pre-primary, primary, middle and senior secondary levels. Students were made aware of the various responsibilities that all human beings must fulfill towards the mother earth. They were encouraged to inculcate an attitude of being protective and responsible to maintain and make our mother earth green, clean and pollution free. The event concluded with the pledge to save and honour the mother Earth which was administered by the class teachers. This annual celebration can be seen as a spark that will inspire the students to take future action to protect and save their mother earth.

# SPIC-MACAY - Anubhav series & Parampara Mahotsav

The Society for the Promotion of Indian Classical Music and Culture Among Youth (SPIC MACAY) organised Anubhav Series in the first week of June i.e., from June 1 to June 7, 2020. For the first time this was an online interactive workshop that enabled the Indians, especially the youth, to get to know the culture and heritage of the country that has always been the nation's pride.

The Anubhav series was an online interactive workshop spanning over the course of seven days inviting stalwarts of various Indian art forms to congregate at a common platform with the common goal of educating the Indian youth about the country's diverse culture. The workshop was bound by a rigorous schedule that involved sessions on meditation and Naad yoga, question-answer sessions with various artists, online concerts and interactive classes where different art, music, dance & theatre modules were taught to the registered attendees.

Amrita of class XII-A and Himani Dua of class IX-D from our school participated in this seven day long workshop where they both enrolled for the Carnatic music classes with Guru Amritha Murali (a renowned Carnatic vocalist). Himani Dua also attended Mural painting workshop. Both students learnt a great deal about Indian classical and folk arts in general. This experience was a very wholesome and encouraging one that was enjoyed by both the students.

To celebrate the legacies of the gurus of Indian classical arts and to honour the legacy of the behemoths of the classical world, SPIC MACAY organised the Parampara Utsav from June 20-28, 2020.

Under the Parampara Utsav celebration, Amrita (XII-A) & Himani Dua (IX-D) were selected to attend a session on June 23, 2020 with Pandit Deepak Kulkarni, the disciple of none other than Pandit Hariprasad Chaurasiya, the most renowned flutist. The students got the chance to ask Pandit Deepak about his relationship with his guru and the lessons he learnt from his guru, about his skill as well as about life in general. This was followed by a concert by the great maestro.

## Three Day Workshop on Training Assessors for School Accreditation, National Accreditation Board for Education and Training (NABET), Quality Council of India (QCI)

The Quality Council of India (QCI) is a pioneering experiment of the Government of India set up as a non-profit autonomous society registered to establish an accreditation structure in the country and to spread quality movement in India by undertaking a National Quality Campaign.

The Mission of QCI is to lead nationwide quality movement in India by involving all stakeholders for emphasis on adherence to quality standards in all spheres of activities primarily for promoting and protecting interests of the nation and its citizens.

Our school has decided to tie up with the Quality Council of India (QCI) for accreditation. With this aim, our School Principal, Dr. (Mrs.) Anju Tandon and Accreditation Coordinator, Mrs. Dimple Juneja attended a three day workshop on Training Assessors for School Accreditation by the National Accreditation Board for Education & Training (NABET), QCI from January 16-18, 2020. The session was conducted by Dr. Sheela Raghavan, trainer and assessor for preparing schools & supporting QCI. The three day session was attended by various national and international school participants. The session covered an introduction to accreditation, understanding the standards, school governance, education and support process, types of assessment, stages of assessment and the assessment code. The session concluded with assessors' feedback, guidelines for feedback, reporting rating and evaluation criteria, assessment reporting and a short exercise on report writing with
